ORDER: -

Sri D. Upender Reddy, Senior Engineer of Republic Forge Company has been absorbed in the Town Planning Department as Town Planning Building Overseer as the Republic Forge Company became a sick unit. Since absorption Sri D. Upender Reddy representing that his colleagues of Republic Forge Company has been absorbed in different departments equivalent to the post held by them in Republic Forge Company. His appointment in the Town Planning Department on administrative grounds due to closure of the Republic Forge Company, he should have been absorbed as Town Planning Officer (Ordinary Grade) which is equivalent to the post held by him in Republic Forge Company, for which he is fully qualified and eligible for appointment as Town Planning Officer (Ordinary Grade). Government have already considered his Pay protection and requested to reconsider his appointment as Town Planning Officer (Ordinary Grade) in 1993 by notional appointment and consider his promotions as on today. Instead of Town Planning Officer (Ordinary Grade) he has been absorbed as Town Planning Building Overseer which is below the rank of two cadres of Senior Engineer post of Republic Forge Company. His request has been earlier rejected vide memo 3rd read above.

2. After careful re-examination of the matter, Government have decided to consider the request of Sri D. Upender Reddy for absorption in Town Planning Department as Town Planning Officer (Ordinary Grade) instead of Town Planning Building Overseer notionally from the date of his absorption in the department and consider consequential promotions as a special case. This cannot be treated as precedent to the future cases.

3. Government accordingly ordered for absorption of Sri D. Upender Reddy in Town Planning Department as Town Planning Officer (Ordinary Grade) instead of Town Planning Building Overseer notionally from the date of his absorption in the department and consider consequential promotions as a Special case.

4. The Director of Town and Country Planning, Hyderabad is requested to take necessary action in the matter.
